Summary

I am passionate about technology and helping those who may not be as "tech savvy" as others are. I am patient and bilingual in both English and Spanish, if translation is needed. Organized and motivated employee eager to apply time management and organizational skills in various environments. Seeking entry-level opportunities to expand skills while facilitating company growth.

Education

SUNY Oswego

Software Engineering • Oswego, NY   05/2026

Honors Program

Experience

SUNY Oswego

Campus Technology Services - Networking • Oswego, New York   10/2022 - Present

- Assisted in organizing networking cables for use in future renovation

- Learned how to apply and set up routers throughout the campus and be able to patch cables if needed

Lavner Education

IT Intern • Manhattan, NY   06/2023 - 08/2023

- Assisted in configuring and maintaining camp's IT infrastructure, ensuring optimal performance of computers and networking equipment.

- Provided technical support to campers and staff, swiftly resolving hardware and software issues to minimize disruptions.

- Collaborated with IT team on enhancing internet safety protocols and implementing technical solutions for smoother operations.

- Engaged in various IT projects, gaining hands-on experience in diverse technology domains.

- Designed and conducted engaging workshops in programming, robotics, and digital creativity for campers aged 6-16.

- Adapted lesson plans to cater to varying skill levels, fostering an inclusive learning environment that encouraged collaboration and problem-solving.

- Mentored individual campers, providing tailored assistance to meet their learning needs.

- Utilized strong communication skills to inspire campers' interest in technology and foster a love for STEM disciplines.
